Stay Sharp Enjoy Life

Think Better

NOW THERE'S A COGNITIVE SUPPLEMENT PROVEN BY SCIENCE

.....
PERCEPTIV™ is a unique patents pending blend of 6 vitamins and clinically researched nutrients needed to maintain cellular health and vitality in the brain. The formula was developed based on independent clinical studies at a leading US university. *PERCEPTIV™* is the result of over 20 years of research and five published, university-directed clinical studies. The rigorous research supporting *PERCEPTIV™* means that you can rely on its unmatched efficacy and proven safety.

PERCEPTIV™ – Think Better™

Is PERCEPTIV™ for me?

All-natural *PERCEPTIV™* has been proven in multiple independent studies to help people Think Better™. Those involved in the studies included healthy adults, as well as older individuals experiencing the normal cognitive decline of aging. After taking *PERCEPTIV™*, participants benefited from enhanced mental clarity, improved memory and a healthier mood. You can, too.

FAQ

Can I take *PERCEPTIV™* with my daily vitamins?

You may take *PERCEPTIV™* in addition to your daily vitamins. *PERCEPTIV™* will work best along with a healthy diet and lifestyle.

How often should I take it?

Take 2 tablets per day. As with any nutraceutical, *PERCEPTIV™* is best taken with a meal.

Is *PERCEPTIV™* safe?

PERCEPTIV™ is an all-natural formula containing ingredients that have been qualified by the FDA as GRAS (Generally Recognized as Safe). No serious side effects have been reported in any of the published studies. People with bi-polar disorder should consult a physician before taking this product.

How do I know *PERCEPTIV™* is working?

As with any nutraceutical, *PERCEPTIV™* takes time to work with your body and brain chemistry. Allow 2-3 months to experience full benefits. Some people have noticed benefits in as little as 2 weeks. For example, you may remember names better. This is just one example of where you may notice *PERCEPTIV™* is working.

What more can I do for my brain health?

Eating a healthy balanced diet consisting of a variety of fruits, vegetables, nuts, fish and moderate amounts of other lean meats is always helpful. You may also want to exercise your brain by doing crossword puzzles, Sudoku, and being physically active.

Supplement Facts

Serving Size: Two (2) tablets

	Amount Per Serving	%DV

† Daily Value not established.

The synergistic blend of vitamins and other clinically researched nutrients found only in *PERCEPTIV™* has been shown in multiple university studies to provide many benefits.

- Vitamin E (as alpha-tocopherol), natural vitamin E is essential for nervous system maintenance.
- Folic Acid and B12 play critical roles essential in maintaining neuron health in the brain.
- N-acetyl Cysteine (NAC) helps protect neurons from oxidative stress.
- Acetyl-L-Carnitine (ALCAR) facilitates neuron growth.
- S-adenosyl methionine (S-AMe) helps protect the structure of DNA from normal age related changes and methylate antioxidants to increase bioavailability.
